

Accessibility Statement

We believe that modern digital services should be accessible to everyone, without distinction. That is why the website <https://www.lundegaard.eu> is designed and managed to be as accessible as possible to all users, including those with disabilities or other limitations.

The legal basis for accessibility requirements is Act No. 424/2023 Coll., on the accessibility of certain products and services, which transposes Directive (EU) 2019/882 (European Accessibility Act) into Czech law. The technical standard used to assess compliance with the requirements is the harmonized standard EN 301 549, which is based on the international WCAG 2.1 criteria at the AA level.

Accessibility status

Our website is continuously developed and maintained with regard to the above accessibility requirements. We assess it primarily in terms of correct HTML structure, text alternatives to image elements, color contrast, and operability using a keyboard and assistive technologies.
